PUTRAJAYA: Admission offers to Form Six for year 2022 will be announced on Thursday, said the Education Ministry (MoE).

It said that Sijil Pelajaran Malaysia (SPM) 2021 leavers could check the results via the Form Six online application portal at <https://sst6.moe.gov.my/> or through their respective schools.

"Students who have passed SPM in 2021 but did not receive any offer can submit an appeal on the same portal from July 7-24, 2022.

"For students who do not have Internet access, appeals can be made through their respective schools," it said.

The ministry said that the result of the appeal for admission to Form Six Semester 1 would be notified on Aug 1, 2022, via the same portal, while for students who do not have Internet access, the result would be notified by the school, on the same date.

It also said that students offered a place in Form Six must register at the college or Form Six centres as stated in the offer letter, on July 25.

"For the successful appeal cases, the registration date is on Aug 2." — BERNAMA
